The screenshot shows the top navigation bar of the Progress website with links for Solutions, Products, Support & Services, Resources, Partners, and Company. Below this is the OpenEdge logo and a secondary navigation bar with links for Overview, Platform, By Role, What's New, Services, Resources, and Developers. A prominent blue banner features the title 'Progress® OpenEdge® 12.8 Developer Kit Classroom Edition' and a red 'DOWNLOAD NOW' button. Below the banner, the 'Download Instructions' section begins with a thank-you message and explains that the Classroom Edition is a free, on-premise software set designed for new developers. It mentions that the kit includes an IDE and other associated technologies. The section concludes by stating that the software included with the OEDK Classroom Edition is downloadable from the provided link.

- Clique no botão **Download Now**, onde será baixado o arquivo **PROGRESS\_OE\_12.8\_WIN\_64\_PDSOE.zip**

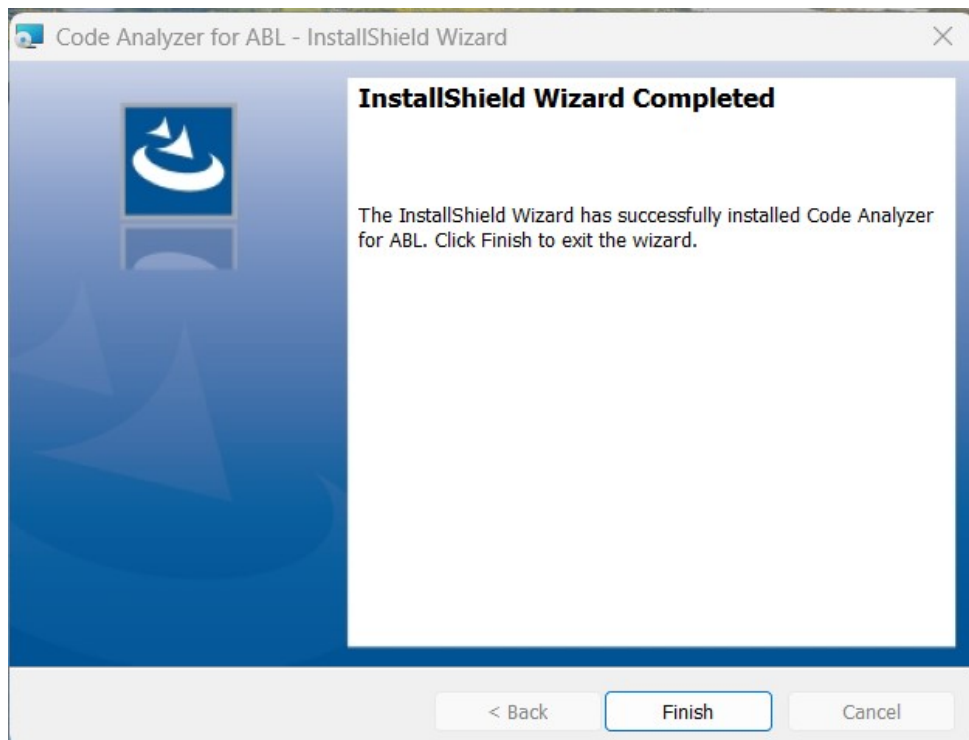

- Assim que for concluído o download, descompacte o arquivo zip em um diretório temporário e mande executar o programa **setup.exe**
- O processo de instalação é todo automático, onde em um certo momento será apresentado a tela abaixo:

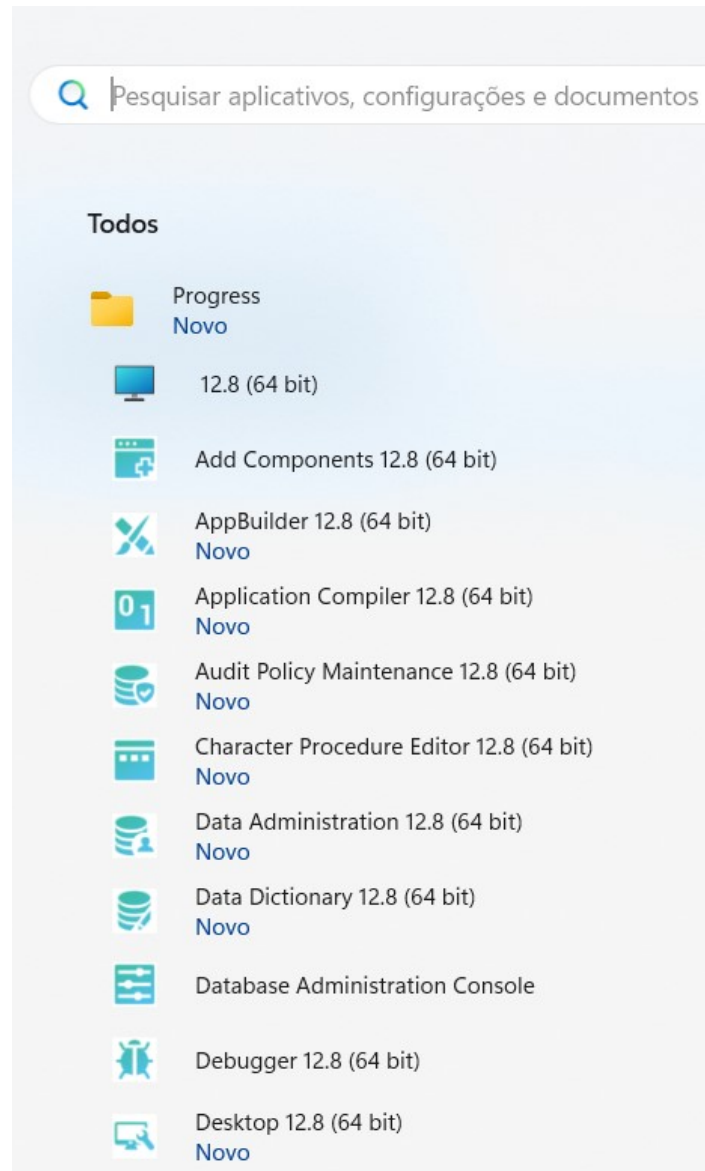

- Clique em **Next >**
- Aceite o termo e clique no botão **Install**
- No final, clique no botão **Finish**

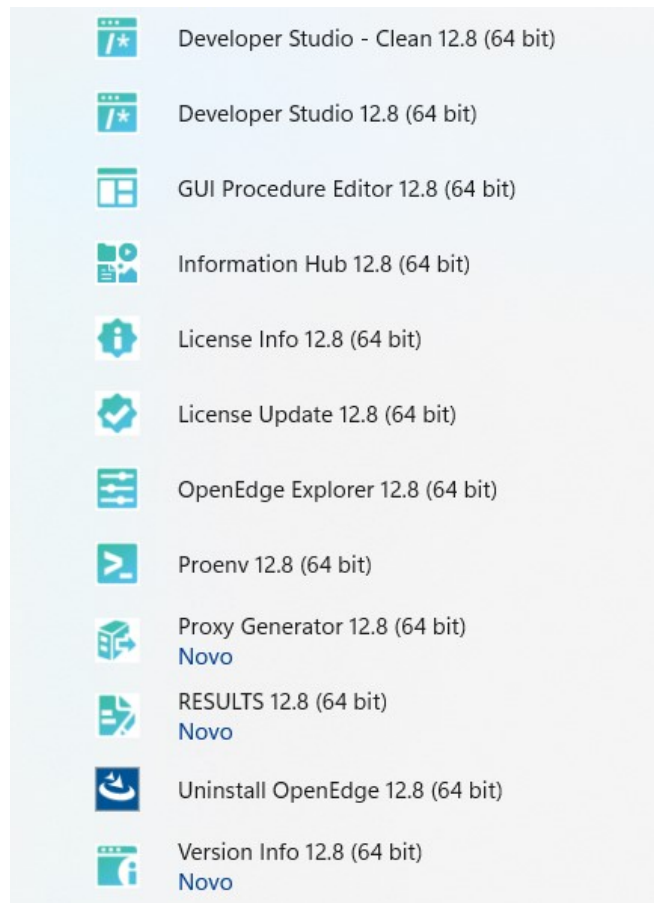

**Para testar:**

- No menu, chamar **Progress -> GUI Procedure Editor 12.8 (64 Bits)**

Vai ser aberto o editor de programas do Progress:
